MONTH	YEAR IRA/SHARE
CERTIFICATE OF DEPOSIT (CD)	

Rate Information - The interest rate on your account is % with an annual percentage yield (APY) of %. You will be paid this rate until first maturity. The interest rate and APY are based on an assumption that interest will remain in the account until maturity. A withdrawal will reduce earnings. For purposes of this disclosure, this is a rate and APY that were offered within the most recent seven calendar days and were accurate as of . Please call 401-233-4700 to obtain current rate information.

Compounding and Crediting - Unless otherwise paid, interest will be compounded monthly and will be credited monthly. Alternatively, you may choose to have interest paid to you or to another account you own at the credit union every month, rather than credited to this account. If you close your account before interest is paid, you will not receive the accrued interest.

Minimum Balance Requirements - The minimum balance required to open this account is \$500.00. You must maintain a minimum daily balance of \$500.00 in your account each day to obtain the disclosed APY.

Balance Computation Method - Interest is calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

Accrual of Interest - Interest will begin to accrue on the business day you deposit noncash items (for example, checks) to your account.

Transaction Limitations - After the account is opened, you may not make deposits into the account until the maturity date stated on the account. You may make withdrawals of principal from your account before maturity only if we agree at the time you request the withdrawal. Principal withdrawn before maturity is included in the amount subject to early withdrawal penalty. You can only withdraw interest credited in the term before maturity of that term without penalty. You can withdraw interest anytime during the term of crediting after it is credited to your account.

Time Requirements - Your account will mature on the following date:

Early Withdrawal Penalties (a penalty may be imposed for withdrawals before maturity) - The penalty we may impose will be 3% on the amount withdrawn. The penalty will be applied to the principal balance, and not credited interest.

In certain circumstances such as the death or incompetence of an owner of this account, the law permits, or in some cases requires, the waiver of the early withdrawal penalty. Other exceptions may also apply, for example, if this is part of an IRA or other tax-deferred savings plan.

Individual Retirement Account - Individual Retirement Accounts (IRAs) are subject to limitations and/or penalties imposed by the Internal Revenue Service. Please see your IRA Agreement or your tax advisor for additional information.

Automatically Renewable Account - This account will automatically renew at maturity. Each renewal term will be the same as the original term, beginning on the maturity date. The interest rate will be the same that we offer on new term share accounts of the same type and structure. You will have a grace period of ten calendar days after maturity to withdraw the funds without being charged an early withdrawal penalty. You may prevent renewal if you withdraw the funds in the account at maturity (or within the grace period) or we receive written notice from you within the grace period.
