

Dear Member,

We are dedicated to ensuring transparency in our policies and delivering exceptional service to support your financial goals therefore, as part of our ongoing commitment to align with regulatory requirements and enhance our operations, we are implementing the following changes.

Funds Availability

Our Funds Availability Disclosure contains important information regarding your ability to withdraw funds from your account. **Effective July 1, 2025, changes are being made in certain circumstances that allow more money from check deposits to be available to you sooner.**

Paper Statements

We are introducing a fee for paper statements and check images for certain products/accounts. The fee for paper statements will be \$3.00 per month, and if you wish to include check images with your paper statements, there will be an additional fee of \$2.00 per month. **Please keep in mind that no accounts currently are subject to this fee, and you will receive separate advanced notification in the event that your product or account would be subject to this fee.**

Terms and Conditions

We previously shared the following changes regarding our **reduced overdraft fees.**

- Overdraft Transfer Fee: Now \$0 (previously \$3)
- Items Returned with Insufficient/Uncollected Funds: Now \$0 (was \$34)
- Items Paid with Insufficient/Uncollected Funds: \$0.00–\$9.99: \$0 (was \$34) \$10.00–\$99.99: \$10 (was \$34) \$100.00 or above: \$20 (was \$34)

We have updated the Terms and Conditions to reflect these changes that were made in September 2024.

Please review the attached **NOTICE OF CHANGE TO YOUR ACCOUNT AGREEMENT** and **Consumer and Business Fee Schedules** that details these changes. You can find the full disclosures relating to your account(s) at: <https://navigantcu.org/disclosures/>

The result of this change is that, in the circumstance when the updated dollar amounts apply, more money will be made available to you sooner.

FUNDS AVAILABILITY DISCLOSURE

Your Ability to Withdraw Funds

This policy statement applies to “transaction” accounts and share savings accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Checking accounts are the most common transaction accounts. Feel free to ask us whether any of your other accounts might also be under this policy.

Our policy is to make funds from your check deposits available to you on the next business day after the day we receive your deposit, with the first **\$275** available on the same business day as the day of your deposit. This includes deposits made in the branch, Mobile Remote Deposit, ATM and received in the mail. Electronic direct deposits will be available on the day we receive the deposit. Cash, wire transfers, and some specified check deposits will also be available before the next business day, as detailed below. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Same-Day Availability

Funds from the following deposits to your account will be available on the day we receive the deposit:

- Electronic direct deposits;
- U.S. Treasury checks that are payable to you;
- Wire transfers;
- Checks drawn on us that are payable to you;
- Cash.

If you make the deposit in person to one of our employees, funds from the following deposits are also available on the day of your deposit:

- State and local government checks that are payable to you;
- Cashier's, certified, and teller's checks that are payable to you;
- Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you.

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits may be available on the same business day we receive your deposit.

Other Check Deposits Subject to Next-Day Availability

The first **\$275** from a deposit of other checks will be available on the same business day as the day of your deposit. The remaining funds will be available on the next business day after the day of your deposit.

For example, if you deposit a check of \$700 on a Monday, **\$275** of the deposit is available immediately. The remaining **\$425** is available on Tuesday.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

LONGER DELAYS MAY APPLY

Funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid;
- You deposit checks totaling more than **\$6,725** on any one day;
- You redeposit a check that has been returned unpaid;
- You have overdrawn your account repeatedly in the last six months;
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules may apply during the first 30 days your account is open.

Funds from electronic direct deposits and cash to your account will be available on the day we receive the deposit. Funds from deposits of wire transfers, and the first **\$6,725** of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over **\$6,725** will be available on the fifth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first **\$6,725** will not be available until the second business day after the day of your deposit.

The first **\$275** from a deposit of other checks will be available on the next business day of your deposit. The remaining funds will be available on the fifth business day after the day of your deposit.

DEPOSITS AT AUTOMATED TELLER MACHINES

If you make a deposit at an ATM on a business day that we are open prior to 6:00 P.M., we will consider that day to be the date of your deposit. However, if you make a deposit on a day we are not open, we will consider that the deposit was made on the next business day we are open. Checks drawn on Navigant Credit Union will be available on the first business day after the day of deposit if the deposit is made at an ATM located on our premises.

DEPOSITS MADE BY MOBILE REMOTE DEPOSIT

Mobile Remote Deposits confirmed as received before 4:00 P.M. Eastern Time, on any day other than Saturday, Sunday or a federal or state holiday, are considered deposited on that day. Deposits received after 4:00 P.M. Eastern Time, or that are confirmed as received on Saturday, Sunday or a federal or state holiday, are considered deposited on the next day on which we are open to the public.

If your deposit is accepted and processed, the first **\$275** from a Mobile Remote Deposit will be available on the same business day as the day of your deposit. The remaining funds will be available on the next business day after the day of your deposit.

We reserve the right to reject any check image transmitted through our Mobile Remote Deposit Service, at our discretion, without liability to you, which may delay your funds availability. We will attempt to notify you by email of any rejected images.
