

## **WEBSITE POLICY**

In general, you can visit our website without disclosing to us who you are or revealing any information about yourself. There are some areas that will collect certain information about you and it is important for you to know how we use this information. When you visit our website, we collect and store information on the Internet domain and IP address you use to access our website, the date and time you access our site, and the pages you visit. This information is used solely for the purposes of creating site activity and statistical reports. These reports enable us to improve the usefulness of our site and to better serve our membership.

### **COOKIES**

Cookies are small text files placed on your computer while visiting certain sites on the Internet. Cookies help websites keep track of personal preferences and recognize return visitors. An example of the use of cookies is when sites greet you personally or post a list of what you most recently viewed.

Navigant Credit Union uses cookies to enrich your online experience and we may place a temporary cookie on your computer to see which product pages you view most frequently. The cookies are not designed to collect or store information on you, but to deliver targeted content to you online.

You can prevent cookies from being placed on your computer by accessing your browser's preferences menu and deleting existing cookies. There also are commercial programs available to help you manage or disable cookies.

### **MOBILE APPLICATIONS**

Navigant Credit Union Mobile Banking Applications ("Applications") allow you to access your account balances, make deposits, make transfers and pay bills on your mobile device in accordance with our Online Banking Mobile Agreement.

### **GOOGLE ANALYTICS**

We use a tool called "Google Analytics" to collect information about use of this site. We have implemented the Google Analytics Demographics and Interest Reporting feature. This feature consists of a series of reports where we can see behavior information relating to visitor age range, gender and interests. This data can also be used to segment standard reports and create remarketing lists. Visitors can opt-out of Google Analytics for Display Advertising and customize Google Display Network ads using the Ads Settings ([www.google.com/settings/ads](http://www.google.com/settings/ads)).

## **EMAIL**

When you email us, we collect and store personal information to process your email request. Users of this site should understand that any personal information that is voluntarily sent via an unsecured email form might be collected and used by others. Please do not include your account number, your Social Security number, your personal identification number (PIN), your password or any other confidential information in your email requests to Navigant Credit Union. Secured forms and applications are available on our website to contact us and to apply for various services and loans online.

When you send an e-mail or other electronic communication to us, you are communicating with us electronically and consent to receive reply communications from us or our providers electronically. We may retain the content of the e-mail, electronic communication, your e-mail address, unique identifier (such as Facebook, Instagram, LinkedIn, or Twitter user name), and our response in order to better service your needs or for audit, legal, regulatory or other business-related reasons.

## **THIRD PARTY WEBSITES**

Our Site may contain links to third party websites or applications. These links and pointers to third party websites or applications are not part of our Site. Navigant Credit Union doesn't make any representations or warranties regarding these third party websites. We are not responsible for any losses or damages in connection with the information, security, privacy practices, availability, content or accuracy of materials of such third party websites or applications. These third party websites or applications might have Terms of Use or Privacy Policies. Third party websites may provide less privacy and/or security than our Site. We encourage you to review the Terms of Use and Privacy Policy of all third party websites before you share any personally identifiable information with them.

## **PROTECTION**

Navigant Credit Union utilizes passwords, 256-bit SSL encryption, and firewalls to keep your account information secure and private when you use our online banking service, Digital Insight. For your protection, be sure to always log off Digital Insight when you are done using it.

Other safe computing practices you may want to consider include:

- Installing virus detection software.
- Performing regular backups.

- Acquiring a home firewall especially if you utilize a DSL or cable modem connection to the Internet and leave your computer on all the time.
- Password protecting sensitive files on your computer.

## **SOCIAL MEDIA**

You may also find additional information on our products and services through our social media sites such as Facebook, Twitter, LinkedIn, Instagram, and App Stores. Please keep in mind that any information you share is visible to all participants on these social media sites and you should never post any sensitive personal information (such as account number or social security number). Please carefully review the Terms of Use and Privacy Policy on these social media sites as they may be different than our own policies.

## **WHAT YOU CAN DO TO HELP**

Navigant Credit Union recommends that you take the following precautions to guard against the disclosure and unauthorized use of your personal and account information:

- Protect your account numbers, plastic card numbers, PINs (personal identification numbers) and passwords. Never keep your PIN with your card, which can provide free access to your accounts if your card is lost or stolen.
- Never provide personal information (including full Social Security numbers or account and credit card information) over the phone unless you have initiated the call and know with whom you are speaking. If someone calls you explaining the call is on behalf of the Credit Union, you should beware. Credit Union staff will have access to this information and will not need to ask for it.
- Notify us immediately if your ATM, credit or debit card has been lost or stolen. Also notify us immediately if your checks have been lost or stolen.
- Keep your information with us current. Be sure to notify us if your address or phone number changes, so we know how to reach you.

## **ONLINE ACCOUNTS AND PASSWORD SAFETY**

Billions of user names and passwords have been stolen just this year by skilled hackers. Consumers are urged to be more vigilant online. Because people tend to use the same password on multiple sites, when a breach occurs, it can have major repercussions.

You can't completely protect yourself from hackers but you can limit your exposure by following some simple steps:

**Mix it up.** Choose passwords that are long and complex typically 10 characters or longer with uppercase letters, lowercase letters, symbols and numbers.

**Be more creative.** Use a unique password for each account.

**Split social media and money.** Do not use the same password for credit cards and bank accounts that you use for social media or websites.

**Revise record-keeping.** Don't store your account information in an unsecured document on your computer or network.

**Keep data close.** Don't share your password, even with friends and family.

**Stay informed.** Beyond changing passwords and creating better ones, stay informed as the details of a breach become released.

If you have any weak or duplicate passwords anywhere, you should change them as soon as possible. Also consider regularly auditing and updating not just your passwords, but your computer security as well. After all of that, enjoy the peace of mind that you're doing the best you can to protect yourself.

## **PERSONAL INFORMATION ON CHILDREN**

We do not knowingly collect or retain personal information from children under the age of thirteen. We advise all visitors to our Site under the age of 13 not to disclose or provide any personally identifiable information on our Site. To learn more about the Children's Online Privacy Protect Act (COPPA) please visit the Federal Trade Commission's website (<https://www.ftc.gov/>).

## **ADA COMPLIANCE**

Navigant Credit Union is committed to providing a website that is accessible to the widest possible audience in accordance with the ADA standards and guidelines. We are actively working to increase accessibility and usability of our website to everyone. All products and services available on this website are available at all of our branches.

## **QUESTIONS OR COMMENTS**

If you have any questions or comments concerning our Website Policy please let us know by going to: <https://www.navigantcu.org/contact-us>
